Depending upon your skills, you will be expected to do a little general repair work around the centre, but if you don't already possess such abilities, you can learn on the job. Thanks to the fundraising efforts of earlier volunteers we are able to build a number of new facilities. In your spare time you can take advantage of the great location and enjoy spotting the country's wild animals.

B **Sea Turtle Conservation, Sri Lanka**

The Sea Turtle Conservation Project takes care of five different species of sea turtle. On this project most of your time will be spent clearing beaches in time for the turtles to come and lay their eggs there. Unfortunately, the island is still suffering from the damage caused in the 2004 tsunami, so there is plenty of repair work to be done. Yet, if you are looking for a small island with golden sandy beaches, mountains, jungle, welcoming people and you are not afraid of hard work then this is the place for you.

The project involves caring for the children. You will also have a teaching role where you will be expected to engage in learning activities and games as well as homework support. In return you will be given a small financial reward along with a basic apartment. On your days off you can enjoy the world-renowned beaches of this stunning coastal city.
