WRITING

One day one spring morning I went fishing. I wanted to catch a big crucian for dinner. I started the motor of the boat and hid the road. I planted worms on a fishing rod and was waiting for his prey. For about two hours a small fish came to me, and I decided to fall asleep. The sun was burning and I turned off unexpectedly. And the boat kept going and going. So when I woke up I saw how I was in the middle of the ocean. I already thought really the end and then I woke up and realized that the whole thing had been a dream.
