WRITING

I was in the cinema house with my friends at last week. We ~~saw~~ watched "Claustrophobia 2". It's a film about 6 people who playing game and if they lose - they will die. I do not remember characters's names but I still remember that there were 3 men and 3 women. All of them won at first part of game in "Claustrophobia 1". They must find answers for task which were done by special people. In this film were many special effects and sounds it looked like this story was in real life. In the end of story one people still alive. And it was the main character. She must do tasks for next players. I recommend this film because it is very interesting.
