WRITING

Let's go to the Cinema:

The Black Widow.

~~Do you know what it is?~~

The Black Widow is a film by Marvel studios, starring Scarlett Johansson as Natasha Romanoff, the Black Widow. (18 w.)

This movie tells a very tragic story about Natasha and her sister Helena. Both women were chosen to be the Black Widows, but they've decided to run away to find their real family. The plot could have been better, because some parts were quite boring and hard to understand, but the special effects and the soundtrack (178 w.) definitely saved the film! All the battles and fights were filmed really carefully and were very moving and vivid. The music was also chosen (101 w.) very well and perfectly captured every little moment of the movie. (107 w.)

Overall, the film was ~~very~~ great. If you're a Marvel fan, ~~like~~ like me, I'd definitely suggest giving it a go!
